

Your Divorce Advocate

Creating Clarity out of Chaos

Divorce Checklist

Keep copies of EVERYTHING

- Emails
- Screenshots of text messages
- Voicemails
- Agreements (for future reference)
- Draft agreements
- Any expenses that will need to be reimbursed
- Back everything up in the Cloud or other back up system

Change Passwords

- Bank Accounts
- Any financial accounts
- Email accounts
- Phone
- Computer
- Social Media

Do NOT post on social media

- About your personal life that may be deemed negative or controversial
- About your divorce
- About your soon to be ex or ex spouse
- About anything you do not want your ex to know about

Change Power of Attorney

- Advanced Medical Directive
- Any other financial accounts

Change Emergency Contact

- On medical forms
- On employment records

And Finally.....

Be very careful of what you write in emails and texts, and what you say in voicemails. Anything and everything can be used against you in your divorce case.
